Re: Bond Release for Georgia Pacific's Eagle Canyon Mine T. 24 S., R. 7 E., Sec 14

Dear Mr. Western:

The Bureau of Land Management (BLM) inspected the Georgia Pacific Mine site on September 5, 2014, and found the project area to be properly contoured and the disturbed areas reclaimed. The hummocky earth-work and seeding were very successful. The BLM therefore suggests that the entire bond be returned. Our records indicate that the current bond amount is \$76,703 and should be remitted to Georgia Pacific.

If you have any questions, please contact Ahmed Mohsen at (435) 636-3637.

Sincerely,

Ahmed Mohsen
Field Manager
